How to use this search guide

- [how to be awesome](#) - Enter the search term into your favorite search engine, do a search, and discover awesomeness!
- [\[replace\] then search](#) - Bracketed items [] should be replaced by what's described in the brackets, prior to doing the search (don't include the brackets in your search either)
-  - Do an image search (images.google.com)
-  - Do a video search (www.youtube.com)
-  - Do a map search (maps.google.com)
-  - Do a shopping search (www.google.com/shopping)
